Accessioning

Received 52 cubic feet of Map Negatives. The Office of Logistics returned 17 cubic feet of intelligence material of which 13 cubic feet were destroyed in accordance to stock levels.

Reference

The inventorying and preparation of shelf lists for Medical folders is 50 per cent complete.

The Center has started to maintain a suspense file on intelligence material that has become exhausted because of servicing. During the first week of operation the reference activity on one [REDACTED] warranted the notification of the Records Officer.

FOIAb3b1
